Fire Alarm Services and Fire Detection Products

CONTRACT OVERVIEW:

The purpose of this solicitation was to establish a contract for comprehensive fire alarm services that will provide all required inspections, testing, monitoring, repair and maintenance services to fire alarm systems for Miami-Dade County (County). The resultant contract will ensure that all fire alarm systems covered under this solicitation will be maintained to Original Equipment Manufacturer (OEM) standards and in compliance with all applicable Federal, State, and Local laws, and regulations.

This solicitation was to also establish a Pool of Prequalified Vendors (Pool) that will be used to solicit various types of fire detection items for the County. Placement in the Pool is not a contract between the County and the Vendor, but an acknowledgement that the Vendor meets the qualifications as outlined throughout this solicitation. Vendor Submittals will continue to be accepted throughout the term of the solicitation for placement in such Pool.

****NOTE****

THE PURCHASE AND INSTALLATION OF BRAND NEW FIRE ALARM SYSTEM IS NOT ALLOWED THROUGH THIS CONTRACT.

Replacement of an obsolete or outdated fire alarm system, or the purchase and installation of a new fire alarm system at a county facility, should all be handled through Laurie Johnsons-Small Business Development's (SBD), Miscellaneous Construction Contract (MCC) team. Please see contact info below.
